LEVEL 5 Specialist Teaching Assistant FULLY FUNDED*

About Us

We are a dedicated provider of apprenticeships, equipping aspiring educators with the practical skills and theoretical knowledge they need to excel in the classroom. Our programmes combine on-the-job training with classroom instruction, allowing apprentices to gain valuable experience while earning a recognised qualification. We partner with schools to offer a variety of apprenticeship pathways, catering to individuals at different stages of their education and career journeys.

Specialise in one of three options:

SEND

Supporting learners with special educational needs and disabilities.

Social & Emotional Well-being

Focusing on mental health and emotional support.

Curriculum Provision

Specialising in subject-specific interventions such as early reading or maths, forest school, or EAL
